You can buy per semester which is £40 each semester or a whole year membership which is £70. Can be found on the trampoline page on this website

Step 2:

Buy your Sports Union membership

While on the page buying your EUTC membership you will be required to pay for a Sports Union membership as well. Once the trampoline club membership is in your basket you will be prompted to add this to your basket as well. This cost is £8.50 for students.

Step 3:

Buy a Gym Membership

As a club we train inside Pleasance Gym which is the university gym. This means every member is required to purchase a peak gym membership. Remember this is a normal gym membership and entitles you to use the gym and all its facilities. There are a few different lengths of membership you can buy that are suitable:

- Academic year – covers all the times we train £166
- Semester 1 – covers all training during semester 1 £81
- Full year – this covers all the training times and the summer holidays when we do not train £194
